

**DHANESWAR RATH INSTITUTE OF ENGINEERING AND MANAGEMENT STUDIES
(DRIEMS)**

KNOWLEDGE GARDEN

DRIEMS consists of a Central Library named as **KNOWLEDGE GARDEN** which is fully computerized with LIBSYS software that is user friendly. It helps in accessing a wide range of materials both in print and electronic version. The library has facilities like CD-ROMs, online databases and photocopiers for students. The digital library is an integral part of Knowledge Garden. KNOWLEDGE GARDEN is a well-stocked computerized library having nearly 40000 volumes besides e-journals is a hub of educational excellence. The library has nearly 2600 sq. mtr. of reading area for the users. We have Open-Access systems where students are allowed to browse their documents through terminals it is quite easy to search their reading material. Documents are kept in the library as per standard classification scheme and also follows AACR-2 cataloguing rules. The catalogue cabinet and computer system (OPAC search) at the entrance of library to apprise the users for reflecting the stock of library. Library provides membership to all its students, faculties, and administrative staff. The Membership form is available at the circulation counter.

Library Facilities

- A separate reading room has been arranged for serious readers/faculty members in the first floor.
- Research carrels have been arranged in second floor.
- Reading lobby/reading lounges have been arranged in ground floor.
- Open air study center has been created in second floor.

Sections in Library

- Acquisition Section
- Circulation Section
- Book Bank Section
- Reference Section
- Binding Section
- Journal Section
- Digital Library Section

How to Access Library Resources

Searching of Books manually: In library stack books are arranged subject wise according to class number. After selection of books one can get books issued from the Circulation Counter.

Searching of Books @ OPAC : viz., Subject wise, title wise, author wise, ISBN wise, series wise, place wise and publisher wise, etc.

Journal browse @ OPAC: One can browse alphabetically subscribed print journals using library OPAC.

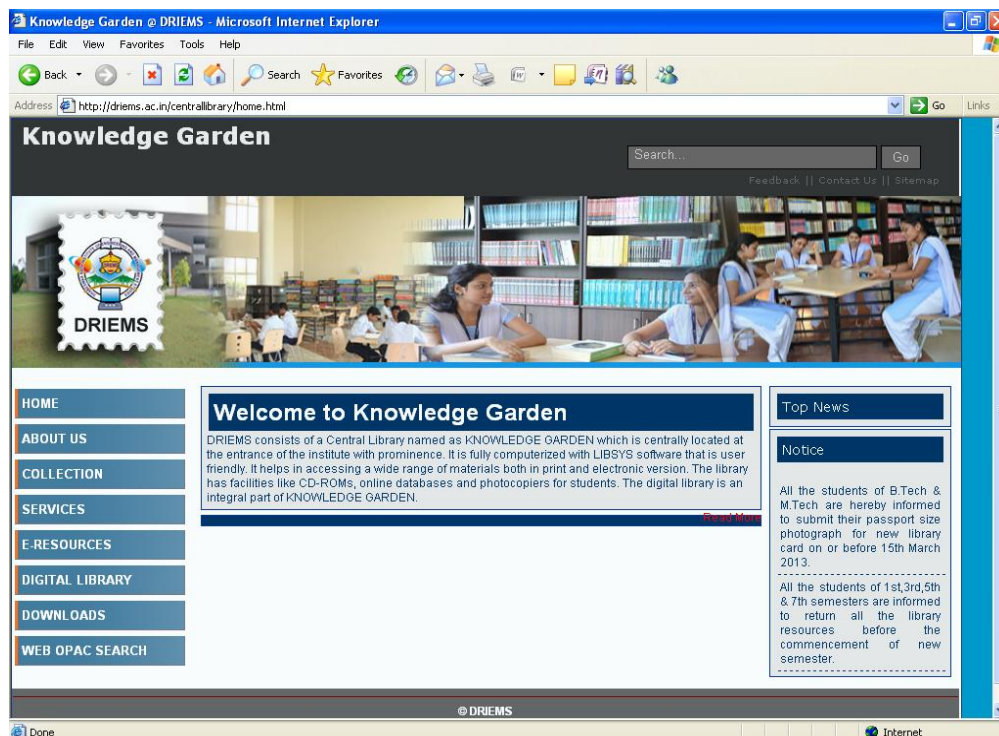

OPAC URL: <http://10.0.96.45:8080/jopacv11/html/SearchForm>

Library Resources

Books	:	40,000
Journals(Print)	:	72
Magazines	:	45
CDs/DVDs	:	450
Newspapers	:	8
E-Resources(Journals):	8 subscribed sites	
Such as IEEE, Elsevier, Springer, McGraw-Hill, ASME, ASCE, ASTM and J-Gate.		
NPTEL RESOURCES		

Online Resources

For online resources one can use one point access of the Knowledge Garden i.e. Knowledge Garden Web site. URL: <http://driems.ac.in/centrallibrary/>

Details of E-Journals

Title	URL	full text Journals Subscribed by DRIEMS
IEEE-	http://ieeexplore.ieee.org	145
Elsevier –	www.sciencedirect.com	275
Springer –	www.springerlink.com	149
McGraw-Hill –	www.accessengineeringlibrary.com	366(books) click 
ASME –	http://asmedl.org	26
ASCE –	http://ascelibrary.org	34
J-Gate –	http://jgate.in/	32
ASTM –	http://enterprise.astm.org/	standards

- Besides full text articles, other abstracts and bibliographical information are also available from above mentioned publishers.

E-Knowledge Resource Centre

Library is maintaining an e-knowledge resource centre providing access to free electronic resources in different format based on different subjects and internal questions of the institute. One can browse the documents either in semester wise or topic wise. URL: <http://10.0.96.43/>
