Ref: DRMU/IQAC/ACADEMIC AUDIT/23

Observations of Academic Audit Team

School/Department: School of Professional Studies (SOPS)

Session : 2024-25

After reviewing the information submitted by the Academic Auditors on 17.05.2025 for the academic Session 2024-25 and interacting with Faculty members of department or School the following observations are made:

- SFR is missing
- Places of dissemination of POs, PEOs and PSOs need to be upgraded
- Emphasis should be given to Research section by all faculty members
- Few documents are in common format. Need to be prepared for each course of the program by the allotted faculty member.

Some other observations were made by Internal Academic Auditors as

- New School, Sharing resources with others.
- Initiative taken towards OBE implementation.
- Lab Manual contain experiment (beyond syllabus).

Session : 2024-25

After reviewing the information submitted by the Academic Auditors on 16.05.2025 for the academic Session 2024-25 and interacting with Faculty members of department or School the following observations are made:

- Academic Calendar, Student sanctioned strength is missing
- X • Places of dissemination of POs, PEOs and PSOs need to be upgraded
- Emphasis should be given to Research section by all faculty members
- Result Analysis of both Internal and External examination is missing
- Attainment of CO for the course is missing

Some other observations were made by Internal Academic Auditors as

- No specific program with sanction intake
- Sharing faculty with other schools
- OBE awareness needs to develop
- SOP of all activities to define
- Communicative Lab can be utilise more

Session : 2024-25

After reviewing the information submitted by the Academic Auditors on 15.05.2025 for the academic Session 2024-25 and interacting with Faculty members of department or School the following observations are made:

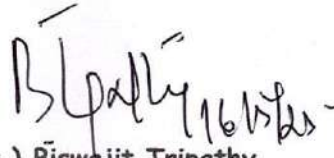

- Places of dissemination of POs, PEOs and PSOs need to be upgraded.
- Emphasis should be given to Research section by all faculty members
- Course file need to be upgraded by faculty members for each course.
- Laboratory files need to be maintained as per the format shared.

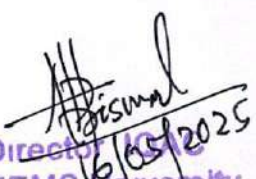

Some other observations were made by Internal Academic Auditors as

- OBE culture to be developed.
- Filing system must be maintained properly.
- Semester/internal question paper to be maintained properly to mapping with CO and PO.
- SFR is high.

School/Department: **Electronics and Telecommunication Engineering (ETC), SOET**

Session : **2024-25**

After reviewing the information submitted by the Academic Auditors on 14.05.2025 for the academic Session 2024-25 and interacting with Faculty members of department or School the following observations are made:

- Emphasis should be given to Consultancy by faculty members.
- Digital notes need to be prepared by faculty members.
- Initiation on CO attainment but not considering continuous assessment processes.

Some other observations were made by Internal Academic Auditors as

- Good initiation taken towards attainment (OBE).
- SOP for Academic process define properly.
- Research activity is good.
- Lab under utilisation (VLSI Lab).
- First Aid & Fire Extinguisher register need to be maintained separately.

Session : 2024-25

After reviewing the information submitted by the Academic Auditors on 13.05.2025 for the academic Session 2024-25 and interacting with Faculty members of department or School the following observations are made:

- Emphasis should be given to Research section by all faculty members.
- Proctorial file need to be prepared properly.

Some other observations were made by Internal Academic Auditors as

- Well documented.
- PEO implementation and standardisation of attainment need to improve.
- Department running currently three program need separate documentation.

Session : **2024-25**

After reviewing the information submitted by the Academic Auditors on 12.05.2025 for the academic Session 2024-25 and interacting with Faculty members of department or School the following observations are made:

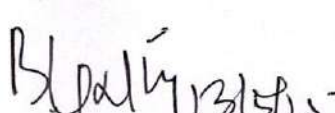

- Year of establishment, Academic calendar, Student sanctioned strength are missing
- Places of dissemination of POs, PEOs and PSOs are missing.
- Emphasis should be given to Research section by all faculty members.
- Course files need to be prepared by each faculty members for all courses.
- Laboratory files need to be prepared as per the format shared.

Some other observations were made by Internal Academic Auditors as

- Information related to program offer not clear
- OBE awareness is very essential
- SOP to define and aware particularly to teaching & Learning.
- Proper Documentation process is essential.

Session : **2024-25**

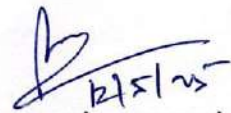

After reviewing the information submitted by the Academic Auditors on 10.05.2025 for the academic Session 2024-25 and interacting with Faculty members of department or School the following observations are made:

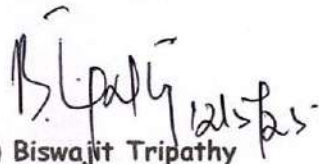

- Places of dissemination of POs, PEOs and PSOs need to be upgraded.
- Emphasis should be given to Research section by all faculty members.
- Attainment of CO for the course need to be prepared so as to find the gap analysis by all the faculty members.

Some other observations were made by Internal Academic Auditors as

- Well defined lesson plan & lab record evaluation.
- Each Semester is minimum 100 working days.
- Taken initiation on OBE being this new Institution.

Session : 2024-25

After reviewing the information submitted by the Academic Auditors on 08.05.2025 for the academic Session 2024-25 and interacting with Faculty members of department or School the following observations are made:

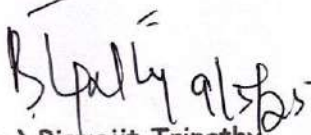

- Emphasis should be given to Research section by all faculty members.
- Need to maintain the assessment processes.
- Result analysis for internal and external Exams are not available.
- Communication gap in sharing the feedback score to faculty members by the Dean/head.
- Attainment of CO for the course need to be prepared so as to find the gap analysis by all the faculty members.

Some other observations were made by Internal Academic Auditors as

- Documentation need to be improved.
- CO attainment not available.
- SFR is too high.
- OBE awareness need to be improved.

Session :

2024-25

After reviewing the information submitted by the Academic Auditors on 07.05.2025 for the academic Session 2024-25 and interacting with Faculty members of department or School the following observations are made:

- Lesson plan is exhaustive in nature.
- COs are missing in the course file.
- Result analysis for internal and external Exams are missing
- Attainment of CO for the course need to be prepared so as to find the gap analysis by all the faculty members
- Lab Utilization/Occupancy Chart, Specification of equipment, Lab markings/Grade awarded to students need to be prepared.

Some other observations were made by Internal Academic Auditors as

- Lack of Lack of awareness on OBE - Need to be improved.
- SOP for academics to define systematically
- CO, PO mapping lacking including attainment.

School/Department: **School of Paramedical and Allied Sciences (SOPA)**

Session : **2024-25**

After reviewing the information submitted by the Academic Auditors on 02.05.2025 for the academic Session 2024-25 and interacting with Faculty members of department or School the following observations are made:

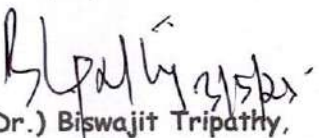

- Course Outcomes (COs), Articulation Matrix need to be prepared by all faculty members
- Internal questions are not up to the standard and doesn't maintain as per Bloom's Taxonomy
- Attainment of CO for the course need to be prepared so as to find the gap analysis by all the faculty members
- Model questions, Evaluation processes and continuous assessment process need to be documented properly
- The course coverage report are not satisfactory.
- Laboratory manuals need to be prepared.

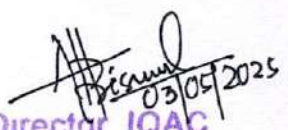

Some other observations were made by Internal Academic Auditors as

- SWOC Analysis is not available
- SFR is not satisfactory as well as Cadre Ratio is not up to the mark.
- File System is not up to the mark.
- Most of the faculty is not trained by the seniors.

Session : **2024-25**

After reviewing the information submitted by the Academic Auditors on 01.05.2025 for the academic Session 2024-25 and interacting with Faculty members of department or School the following observations are made:

- Result analysis for internal and external examinations need to be conducted by all faculty members.
- Attainment of CO for the course need to be prepared so as to find the gap analysis by all the faculty members
- Course Coverage report should be maintained by all faculty members which need to be verified by Concerned HoD or Dean of the Department or School.
- The Continuous Assessment Details (Assignment/ Surprise test/ Quiz test etc.) need to be done and verified by concerned HoD or Dean of School

Some other observations were made by Internal Academic Auditors as

- SWOC Analysis is not available.
- SOP Awareness lacking
- Awareness of OBE required.
- Proctorial System to be strengthen.
- Current PO, PSO need to display in different location like HoD Chamber, Laboratory, Corridor etc.
