Alumni Contributions Towards the Development of DRIEMS University

The Alumni Association of DRIEMS University plays a significant role in strengthening the academic, professional, and social ecosystem of the institution. Alumni serve as valuable stakeholders who contribute their expertise, industry experience, resources, and networks for the continuous growth and development of the University. Through active engagement, alumni bridge the gap between academia and industry while inspiring current students to achieve professional excellence.

Objectives of Alumni Contributions

1. To strengthen industry-academia interaction.
2. To provide career guidance and mentorship to students.
3. To support skill development and employability enhancement initiatives.
4. To contribute to institutional growth through knowledge sharing and resource mobilization.
5. To promote the reputation and outreach of DRIEMS University.

Major Alumni Contributions

1. Career Guidance and Mentorship

Alumni regularly interact with students through guest lectures, seminars, workshops, and mentoring sessions. They share their professional experiences, industry expectations, and career development strategies, helping students make informed career decisions.

Event: Retrospect-2022

Impact:

- Enhanced student awareness regarding career opportunities.
- Improved preparedness for competitive examinations and job interviews.
- Strengthened professional networking opportunities.

2. Placement and Internship Support

Many alumni working in reputed organizations assist the University in arranging internships, industrial training, and placement opportunities for students.

Activities :

- Referral-based recruitment support.
- Internship opportunities in various industries.
- Campus recruitment assistance.

Impact:

Strengthened stakeholder engagement.
Improved institutional planning and decision-making.

7. Social Outreach and Community Development

Alumni collaborate with the University in organizing social responsibility initiatives such as:

- Community service activities. Found raising activities for alumni seeking chronic diseases.

My name is Abinash Kumar Mohapatra and I am raising funds for my medical expenses. I am suffering from Adenocarcinoma colon and am undergoing treatment at Tata Memorial Hospital, Mumbai . We have done all we can to collect the total amount required for the treatment but Rs.30000 more is required to pay for all the medical expenses.

As the amount required is huge, I request you to kindly contribute towards my treatment and help me during this time of need. Each contribution is important!

Please help me raise this amount by clicking on the contribute button and sharing this page with your friends and family.

I am grateful for your help and wishes.

Thank you.

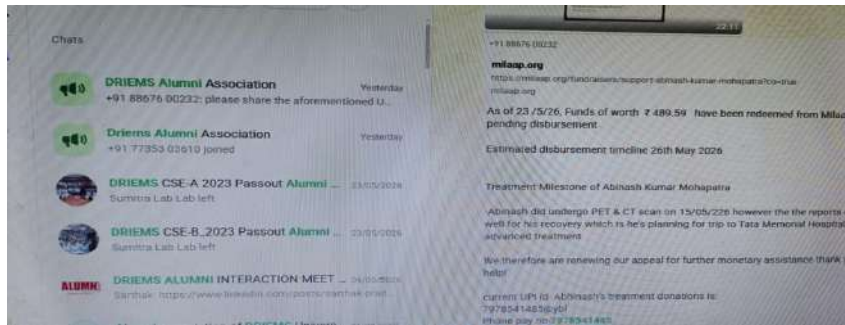

- As of 31/5/26
- Fundraising petition via KETTO platform has been created via URL hereunder
- https://www.ketto.org/fundraiser/i-need-your-urgent-support-for-my-adenocarcinoma-colon-treatment-1144897?utm_medium=copy&shby=1&utm_source=external_Ketto&utm_campaign=i-need-your-urgent-support-for-my-adenocarcinoma-colon-treatment-1144897
